Acting Director of Personnel

SUBJECT

: Claim for Back Pay

We have received your memorandum of 12 December 1977 concerning your eligibility for back pay. As a result of recent media coverage on the subject, we have had several requests for retroactive temporary promotions for extended details to higher graded jobs. All of these claims have been denied insofar as they are based on Comptroller General decisions B183086 and B184990. Attached is a summarization of the pertinent regulations and rationale for denial which we have provided individuals who have submitted formal claims on this subject.
